INFORMATION REGARDING ALCOHOLIC BEVERAGE LOCATION PERMITS

When applying for a permit an applicant may seek more than one type of location permit for the same location, as described in the application form.

A location permit granted by the City may be granted to an individual, group of individuals or any legal entity recognized by the State of Florida, but any such permit granted shall not be transferable to another party or to a location other than that described in the original application.

It is unlawful for anyone to sell alcoholic beverages within five hundred feet (500) of a church, school, or daycare facility.

An annual renewal fee of \$100 is due and payable to the City of Ocala by October 1 of each year. If paid after this date, the renewal fee is increased to \$200. After November 1, the permit becomes void and a new application must be made for a public hearing.

Applicants requesting on-premise consumption outside an enclosed building shall submit an application for a public hearing. A site plan must be submitted with the application and shall be reviewed by the building, planning and fire departments. The notice for the public hearing shall conform to the requirements as indicated in Section 3-25, paragraph (c). At the public hearing, the city council shall consider this request as a separate issue and shall be guided by the criteria listed below:

- (1) The size and location of the portion of property to be used for outside consumption;
- (2) Ingress/egress to the outside area;
- (3) The proximity of the outside area to schools, churches, public recreation areas, public buildings, and areas of public assembly, taking into consideration noise and light intrusion;
- (4) The proximity of the outside area to established residential areas, taking into consideration noise and light intrusion;
- (5) The proximity of the establishment to other establishments operating outside Consumption;
- (6) Hours of operation;
- (7) Screening and buffering.

Excessive or disturbing noise is a violation of Section 34-171 of the City's Code of Ordinances. The Ocala Police Department may terminate any event which is considered to be in violation of this code. A fine of \$180 may be imposed for contravention of the noise regulation.
